They have 4 or 5 songs in the history of their career that are just classic. I think they should be in the top 10 of all time. I think their single "Lies and the Lies of Lies" is their best work. It's so simple and brilliant at the same time. It really fucking sucks that they broke up.

They were very much a part of the Seattle sound with Nirvana. They definitely inspired us. That same 82157476af
